**Resolution No. 21-12-24-002A
Series of 2021**

WHEREAS, due to the devastation brought by Typhoon Odette, a state of calamity was declared by the President of the Philippines in several regions, including MIMAROPA (Region IV-B) and by the City Government of Puerto Princesa on December 21, 2021;

WHEREAS, the Bids and Awards Committee (BAC) called for an emergency meeting on December 21, 2021 to discuss the possible effects of the recent calamity to the procurement activities and to determine courses of action to address the effects of identified problems;

WHEREAS, during the meeting on December 21, 2021, the BAC determined that the interruptions in power and telecommunications and internet signals and the difficulties in transportation due to obstructions in roads will likely prevent or hamper bidders from submitting their respective bids;

WHEREAS, in the same meeting, the BAC resolved to suspend the submission and receipt of bids for the procurement of goods undertaken through competitive bidding by issuing Resolution No. 21-12-21-001A, by virtue of Section 7 of GPPB Resolution No. 09-2020;

WHEREAS, the BAC has determined that the initially identified problems that may hinder or hamper the submission of bids have been resolved or at least mitigated;

WHEREAS, the BAC finds that the current situation in the city already allows the resumption of the submission and receipt of bids;

NOW, THEREFORE, in consideration of the foregoing, **WE**, the Members of the PCSDS-BAC, hereby **RESOLVE**, as it is hereby **RESOLVED**, to resume the submission and receipt of bids for procurements under competitive bidding on December 27, 2021.
